Sponsorship Opportunities

ZEF partners with corporations and small businesses to further our mission. Donations from companies support our Classroom, Imagine Professional Development, and Student Enrichment grants.

Sponsorship packages can be tailored to meet your company's needs. Opportunities include events such as Barn Bash and Drive 4 UR School, as well as targeted marketing opportunities through our website or newsletters.

Katie Reasoner, ZEF Chief Development Officer, can answer all your questions and help craft the perfect sponsorship opportunity for your business. Let Katie know you are interested by contacting her at kreasoner@zcs.k12.in.us or 317.873.8052.

access to growth and renewal opportunities that then benefit all students through enhanced teaching knowledge, techniques, and experiences.

Knowledge gained by an educator through an Imagine Grant will be shared with colleagues upon completion of the grant. In this way, an Imagine Grant can create growth and renewal opportunities for not just one teacher, but all educators in a grade level, subject area, school, or across the district.

Similarly, Imagine Grants can give support for ongoing ZEF Classroom Grants. Kyle Beimfohr's Indiana Historic Virtual Tour Imagine Grant and Will Doublestein's Orff-Schulwerk Level I Certification Course Imagine Grant will continue great work from their ZEF Classroom Grants.

A Night to Remember - But What About the Guys?

On February 8, 2018 over 140 women gathered at the home of Kristie and AJ Smith in support of ZEF. Guests had the opportunity to mingle, shop with seven vendors, tour the Smith's beautiful home, and enjoy food and drink while raising over \$10,000 towards ZEF's mission!

We are grateful for the generosity of the women that attended this elegant, fun, and meaningful evening. The funds they raised will directly impact teachers, students, and classrooms.
