ZEF Grants In Action - Elementary School Family Book Clubs

Thanks to a grant from the Duke Energy Foundation, all ZCS elementary schools will host a Family Book Club during 2018. Each student will have the opportunity to bring home one of four amazing books by author Eve Bunting. *The Wall*, *Dandelions*, *The Memory String*, and *The Wednesday Surprise* provide rich discussion topics for all ages. After reading and studying the

book at home, students and their families gather one evening at their elementary school for a book club style discussion.

Pleasant View Elementary kicked off the Family Book Club project last Spring with a successful first event. Students from Butler University's College of Education worked along side PVE teachers to lead the small group discussions.

We look forward to hosting the Family Book Club events at:

Union and Eagle on Wednesday, October 10

Boone Meadow and Stonegate on Wednesday, November 14.

Mark your calendars now if you have a student at one of these schools! We look forward to seeing you!

**Please say THANK YOU to our
2018 Barn Bash sponsors!**

The following companies have already committed to making the 2018 Barn Bash event a success! If you are interested in making an impact in Zionsville classrooms by joining this group, please contact Lyle Browne at 317.733.4805 or lbrowne@zcs.k12.in.us.
