## ZEF Continues to Invest

ZEF invests in teachers, students, and schools throughout the year and continues to during this time of e-learning.

In addition to the **2020 Imagine Grants**, ZEF recently awarded two Strategic Initiative Grants.

*ZCS Video, Production, and Live Streaming* was awarded to Isaac Spillman to assist with the district's current e-learning and social distancing challenges. Equipment funded through this grant will enhance current video capabilities while giving students first-hand video production experience in the future.

*Leading Literacy by Learning* was awarded to Connie Largent and Jen Raycroft on

## Thank you, Duke Energy Foundation!

The Zionsville Education Foundation is grateful to the Duke Energy Foundation for its generous donation of \$5,000 in support of teachers, students, and schools.

This grant donates \$4,000 in support of ZEF's annual Student Enrichment Grants. Available to any school-sanctioned student groups at Zionsville Community Schools, these grants promote activities that enhance the educational experiences of ZCS students.

It will also provide \$1,000 in matching funds to our Eagle Honor Awards, making your support of teachers go even further.

Thanks, Duke Energy Foundation!

Both are hard questions at any time but especially during social distancing and stay-at-home orders.

ZEF can help! Our [Eagle Honor Awards](#) are the perfect way to say thanks for a great year and to show support teachers.

For a donation of \$10 or more, your honoree will receive an Eagle Honor certificate with a personalized message from you, your student, or your family. Funds raised go towards future ZEF Grants.

Say thank you to teachers, administrators, bus drivers, coaches, counselors, custodians or any ZCS employee for their impact on your families and our community.

Many thanks to our annual Eagle Honor Awards sponsor KI: Contract Furnishings and our matching sponsors, Trane and the Duke Energy Foundation, for their support. Their generosity means your donation could be matched up to 2-to-1!
