

SUPPORT

As 2020 draws to a close and we look ahead to 2021, we realize the marathon is not yet over for our schools.

For teachers, the year ahead is just as uncertain as the one we leave behind. Will health department guidance require a move to an all virtual schedule? When will we get to move permanently back to in person learning five days a week? These questions and so many more are unanswerable.

YOUR past generosity enabled us to support our teachers, students, and schools in uncertain times. In 2020, we provided funding for **90 different projects** in our schools. We are incredibly grateful for your gifts and those of the entire Zionsville and Whitestown school community that made these awards possible.

As ZEF looks ahead to 2021, we want to be ready to support our teachers in 2021.
