Our Mission . . .

The mission of the Zionsville Education Foundation (ZEF) is to serve our school community by providing funds that promote academic excellence. Our vision is to partner with our school community to instill in students a lifelong desire for knowledge.

Why ZEF?

Over the last 25 years, ZEF has awarded \$1.5 million in grants to educators and students in Zionsville Community Schools (ZCS).

FACT: ZCS is the lowest funded public school district per student in the state of Indiana.

ZEF funds innovative classroom projects, professional development for teachers, and student experiences not otherwise available to educators and students. Your sponsorship is an investment in public education, granting resources not available to our school community through tax dollars. These dollars can only be replaced through the generosity of our corporate, small business, and individual donors.

Impact of Your Support

Your gifts make an immediate impact and enable our teachers to dream big.

FACT: In 2020, ZEF awarded more than \$127,000 in grants to Zionsville Community Schools.

The generosity of our donors benefited more than 7,600 students and 465 teachers through grant funding from ZEF. Twenty-five years of balanced budgets has allowed ZEF to set aside net income in a conservative investment that is ready for larger strategic initiatives such as the *Looking Back to Look Forward* experience for middle and high school educators, the launch of the 1-to-1 laptop program, the transformation of a middle school library into an interactive space, and robotics at every level in the district.

Bringing Innovative Ideas to Life...

ZEF's ability to connect with students, teachers, parents, and community residents is immediate and multi-faceted. Our impact is not just an annual event, but rather consistent, meaningful connections with our core audience and supporters.

Investing in Zionsville for over 25 years.

Sponsorship Benefits...

Sponsorship is increasingly important for businesses wanting to make a meaningful impact in their communities by gaining exposure and a chance to connect with customers in a very deliberate way. If you have a unique idea, service, or product as an in-kind donation, we are interested in learning more.
