

Send year-end thanks!

If you haven't had a chance to send your 2021 Eagle Honors yet, it's not too late! They are the perfect way to say THANKS at the end of the year.

ZCS teachers and staff are always remarkable in their creativity, hard work, and student care. This year, those traits joined extra courage, determination, and compassion to get our students through an unprecedented time in life and learning.

A ZEF Eagle Honor shows your appreciation now and also funds future ZEF grants to bring teachers' innovative ideas and creative projects to life in the year ahead.

For a donation to ZEF of \$10 or more per honoree, we will send a certificate with your student or family's message of appreciation. Eagle Honors are presented by KI: Contract Furniture and your donation can be matched up to 4-to-1 by Trane, State Bank of Lizton, Zionsville Pediatric Dentistry, and Heigl Real Estate Group.

Click [here](#) or the button below to send your Eagle Honors today! All orders placed by May 26, 2021 will be delivered this school year.

Who can receive an Eagle Honor?

A ZEF Eagle Honor can be sent to any ZCS teacher, administrator, support staff, or coach. Here are a few ideas to consider as you make your list:

TEACHERS

They redesigned lessons and reimagined classrooms. They did it quickly, and with care for their students. They supported each other on the hard days and shared Zoom techniques. They checked in more often with students, gave grace when needed, and worked to ensure that academic excellence continued at ZCS.

COUNSELORS

They always help kids during stressful times but there wasn't a college class for how to help during a pandemic. They are the familiar faces helping our kids (and parents!) learn about wellness in these unusual times. Guiding, reaching out, offering help, and providing strength.

BUS DRIVERS

They are the first school hello and the last school goodbye for many students. They are an important part of our school community. No matter the schedule, their flexibility ensures that thousands of kids get safely to and from school each day.

PRINCIPALS AND ADMINISTRATORS

They are the public faces. They are also the quiet engine behind the scenes. Planning, fielding questions, communicating, putting pieces together, connecting people with resources, and solving problems. Principals, superintendent, academic services, administrative assistants, accounting, maintenance. They are the strong leadership that makes ZCS great!

TECHNOLOGY

Their consistent hard work has made transitions among schedules smooth. Whether students are virtual, hybrid, or in-person, they are the behind-the-scenes team that makes it all possible. They problem-solve for teachers and students, innovate, and keep all systems going each and every day.

FOOD SERVICE

Thousands of student meals each year are prepared with care by the food service team. This year, they helped ensure that no student went without food and provided meals to students following Covid guidelines keeping students nourished and safe.
